

2008 TRTR Conference Hyannis Cape Cod

The 2008 TRTR meeting will be held in West Yarmouth MA during the last week of September. A web site is being set up for registration and hotel reservations. The format of the meeting will be similar to that of last year. I liked the idea of holding the business mtg early and of having both a banquet and an off-site event. In addition, we are trying to arrange a special off-site event.

Cape Cod consists of two sections. Our mtg site is near Hyannis which is the upper Cape and which is well settled and caters to tourists. We have a nice hotel with a private beach - well away from the tour-

ist schlock. But, if you want to experience the Cape Cod that Thoreau wrote about and that Hopper painted, you need to go to the outer Cape. There are no large hotels there (except one right on the highway) so we aren't staying there. But if you want to experience it, come early or stay late.

The Cape in late Sept/early October is at its best. That said the off-site mtg and the special event will try to give you a feel for the original Cape.

The above dates for the meeting are firm, although the specifics of the schedule may shift. We should have a great meeting. The website will be up shortly and you can then register etc.
